

ELCA visit to MAKEOSZ conference

Hungary

Tapolca – 12/15 February 2019

The biggest meeting of the professionals of the "green profession" in Hungary together with the professional event of the Hungarian Ornamenters, Hungarian Horticultural Ornamentals, the Association of Hungarian Wood Nurses and the Association of Hungarian Landscape Designers. We also have a zero day this year, where a renowned foreign speaker will hold a Plant Application Workshop and the Green Roof Workshop will not be left behind, this time being Green City Continuing Education!

General Assembly, Presidential Greeting by Ernő Kosztka, President of MAKEOSZ

Issues of gardening and maintenance rights in other countries by Henrik Bos, ELCA

ELCA has met many members of the Hungarian association. There was also a national members meeting during the event and ELCA could meet the members of the board as well.

You can find a very nice photo overview in the link
