BE PART OF

THE GREENEST

NETWORK

To share & exchange

knowledge

Increasing the **exchange of information and experience** between landscape gardening companies on an international level.

Exchange increases the quality and expertise of the green trade and allows to **strengthen their competitiveness**.

To inform & advise

for a greener world

Pioneering and developing new work areas, skills and techniques. Establishing sustainable trends in landscaping and green area maintenance.

Contribute to a **stronger position** for a well-regulated green trade which can and will provide solutions in many cases.

To promote & improve

awareness

Increasing professional and personal knowledge and experience through international study trips. Promoting the international exchange of young qualified landscape gardeners and experienced companies.
