Exhibition paviljon

The Urban Oasis – Park 2.0

- Pop-up park
- About 300 m²
- Particulate filter - clean air
- Planting and biodiversity
- Moss panels
- Water irrigation
- Solarpanels generate energy
- Social cohesion
- Pleasant environment

A close-up photograph of a person's hand gently holding a thin, brown branch with several vibrant green leaves. The background is a soft, out-of-focus bokeh of green and white light, suggesting a sun-dappled forest. The entire image is framed by a thick green border decorated with a repeating pattern of stylized leaves.
